11.	Virgo	Mercury, Dual, Earth	Attracts shy, yet lively friends.
12.	Libra	Venus, Movable, Air	Not easy to feel free and relaxed.

Characteristic tendencies : These people can be somewhat sarcastic and self-willed, though they may also become proficient in spiritual or occult arts, as well as more scientific concerns. Though sensualists by nature, they are also good at controlling their instincts and disciplining themselves.

They love excitement and a challenge; they keep their own counsel and are not easily influenced by others.
